

HP Photosmart C6280 All-in-One

(CC988A#ABA)

Our home-network-ready Photosmart C6280 will give you lab-quality photos and reprints, laser-quality documents—on one side of the page or both—and first class scans. It will let you print Web pages without cutting off the edges¹. And it has a feature called Auto Sense that makes sure you're printing photos on the correct side of the page²

High-quality printing, scanning, and copying

- **Print lab-quality, fade-resistant³ photos** and laser-quality documents in [six-ink](#) color
- **Scan photos** with the high-quality, 4800 x 4800 [dpi resolution](#) and 48-bit color⁴
- **Ensure that photos print on the correct side** of the page and have the right quality settings with HP Auto Sense
- **Remove red eye from photos** with the touch of a button
- **Print blazing fast**, at up to 34 pages per minute black and 33 color; get photos in as little time as 10 seconds
- **Print Web pages without truncated edges** with our Smart Web Printing feature
- **Just touch a button** to reprint photos and get quick, crisp copies
- **Restore damaged or faded photos** with the scanner
- **Edit, print, and share photos** with the HP Photosmart Essential software

Cool features

- **Add to your home computer network** via the built-in Ethernet
- **Switch between 4 x 6" photos and documents** without having to swap the paper
- **Print photos without a PC** using the [memory card](#) slots, 2.4" display, and Photosmart Express software
- **Hand out smudge-resistant prints** right after printing when using HP Advanced Photo Paper
- **Save paper:** use the included duplexer to print on both sides

Economical supplies, solid support

- **Replace cartridges economically, only as they run out**, with the six individual ink tanks
- **Enjoy exclusive offers and discounts** on HP ink, toner, and paper, plus shop from a list of customized printing supplies and get free next-day shipping with our "My Print Rewards" program
- **Get peace of mind** with the one-year limited warranty
